

City of Medicine Academy Scholarship (CMA students)

In 2009 the City of Medicine Academy Scholarship was established from a grant from the Durham Chamber of Commerce for seniors graduating from the Academy.

To be eligible to receive the scholarship, the student applicant must:

- † Be a graduating senior of **City of Medicine Academy**
- † Have a minimum **2.75 GPA** is required for all high school work attempted through the fall semester
- † Have been accepted into an accredited college (i.e., two-year, four-year or community college) or university

The student applicant must have demonstrated during his/her high school career, qualities of scholarship, integrity, character, leadership and strong community service. The selection will be based on an interview of the finalists conducted by the Selection Committee.

One (1) scholarship of **\$1000** and one (1) **\$500** scholarship will be awarded to a graduating senior from **City of Medicine Academy**, which meets the criteria.
